Dear Interested Party:

Following recommendations by the Washington State Pharmacy and Therapeutics Committee, the Department of Social and Health Services - Medical Assistance Administration (DSHS-MAA), the Health Care Authority - Uniform Medical Plan (UMP), and the Department of Labor & Industries (L&I) have named the following drugs as preferred in their respective therapeutic classes on the Washington State Preferred Drug List:

**Second Generation Antidepressants**

fluoxetine (generic products only)  
citalopram (generic products only)  
bupropion (generic products only)  
mirtazapine (generic products only)  
paroxetine (generic products only)

Each agency will use the common PDL according to its benefit structure.

All agencies will implement the Second Generation Antidepressants class on July 1, 2005.
